Itineraries

Times below are ours. Explore Outdoors publishes walk distances, not a day-plan. Not independently walked.

Check VicEmergency and the official Toolangi guide the morning you go. This sheet is not live road status.

Half day

- Fuel in Healesville (or Yea / Marysville / Toolangi township).
- Wirrawilla Rainforest Walk — around 700 m return, boardwalk, picnic and toilet at the carpark.
- Short drive to Kalatha Giant Tree Walk — 0.5 km return.
- Skip the 10 km Tanglefoot Loop if daylight is tight.

Full day

- Tanglefoot picnic (no camping, no drinking water — BYO) plus Tanglefoot Loop (official 10 km).
- Or: Wirrawilla + Kalatha + Tanglefoot picnic, without stacking the full loop.
- Do not add Road 10 / Mt St Leonard with a dog — that is Yarra Ranges National Park.

Overnight

- Walindjerri (Redwoods): five sites, no booking, no fees, toilet, no reliable water.
- If the five bays are taken: town bed in Healesville, Yea or Marysville. Not Tanglefoot picnic. Not Murrindindi Scenic Reserve with a dog.
- Redwoods Walk 0.5 km from the day visitor area.

If you typed Murrindindi

- Murrindindi Scenic Reserve is a different tenure: fees, no dogs, riverside camps, Wilhelmina Falls.
- Official reserve pages — not this forest's Walindjerri rule set.
